

# Volunteer?

**Volunteer?** *Should I ...  
Time and/or Money ...*

As a **volunteer**, you are an important link in the life of a person facing cancer. You can provide encouragement, one on one support, and a broad range of benefits that individuals dealing with cancer need to help them to overcome and become a **SURVIVOR**.

*Volunteering your:*

- *Time - positively impacts the lives of cancer patients.*
- *Money - assists cancer patients to relieve any financial burdens that they are experiencing.*

**Volunteers** are important to **LIVED2TELL** because they are aware of how difficult it can be if you do not have the proper help available to you when dealing with cancer.

WHAT can I do to help, HOW can I contribute, and WHO can benefit from **LIVED2TELL**.
